High Q constantly works at being the best! Here are a few short testimonials so you can rest assured that our training is of the highest quality, standard and given with the upmost care. This is what our clients say about us:

Top organisation, very well run. Learnt so much, so much more to learn. Thanks Guys. (Travis Feb, 2015)

Well structured and delivered, very happy with the whole experience - it has left me excited to learn more!

It's a physically challenging course. I enjoyed it and learnt a lot of technique (Subash 12/1/15)

Good indication of what to expect on site (D. Dec 14)

You guys have it dialled (Thomas November 2014)

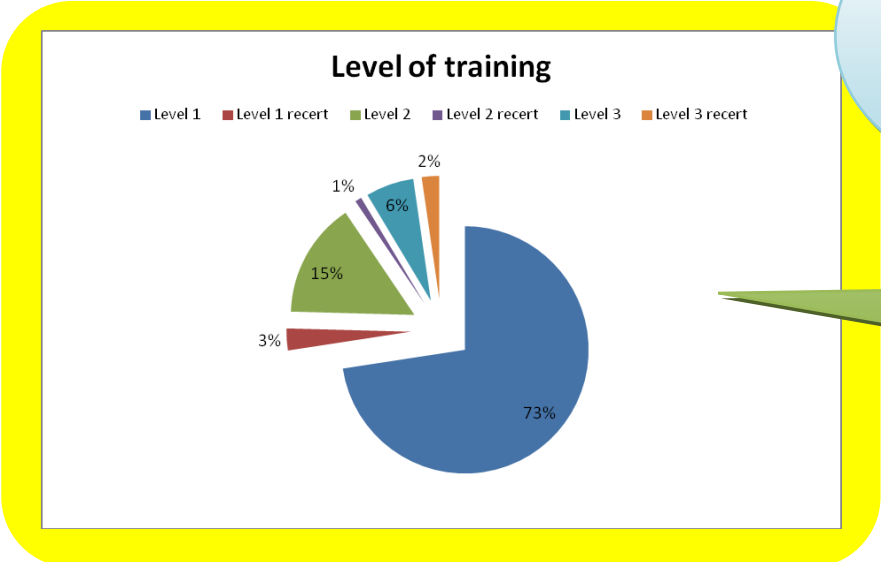

The mix of David and Peters training styles gave a well rounded mix to cover all aspects and got me ready for the industry (Karla, Feb 2015)

Dave and Peter were amazing at delivering the course and greatly increased my skill level and confidence in rope access (Elliot Nov 2014)

Did you know 73 % of our trainees are new to rope access

Nice that it was indoors (3/11/14)

By the end of the week I felt very comfortable with all the manoeuvres and equipment (Jared Jan 2015)

Best course I have ever done, perfect training and conditions! (William December 2014)

IRATA certification – the only rope access qualification recognised the world over.
